THREE FACTORIES CLOSE BECAUSE OF LACK OF FUEL

Two Others Are On Verge of Closing Down, And Consumers Are Clamoring For Coal, Which Makes Situation Here Most Serious It Has Ever Been. Volunteer Committee Goes To Work To Relieve Conditions By Locating Wood Supply.

Two Cars of Coal Arrive Today, But One on Way Here Is Confiscated By Railroad

NOT EXPECTED TO LAST LONG

Request of Fuel Administration for 12 Cars Reveal Conditions Over County Are Bad

The fuel situation today was the most serious it has ever been. This was the statement of S. L. Trabue, county fuel administrator, who is in close touch with the situation, and the developments of the last forty-eight hours revealed a condition which has not existed up to this time.

With three factories closed on account of the lack of fuel, two on the verge of closing and domestic consumers clamoring for coal, there is no doubt but that the city is in the most dire distress it has ever been.

Two cars of coal arrived this morning, but it was estimated it would all be sold for domestic use before night. One car for Reed and son, consigned by the fuel administration, was confiscated enroute by the railroad company, the excuse being given that the car was in bad repair and could not be moved farther. Another car was promised in its place, but it will not arrive as soon as the one which was on the road. The two cars set off here this morning were for Harry Pea and Will Trennepohl.

The prediction of warmer weather for this week indicates that distress will not be so great among those without fuel, but nevertheless fuel will be required to keep homes warm, although not in such large quantities were it to continue so cold as it has been for the last ten days.

The mercury went down below zero last night, this time ten degrees, but gradually rose today, indicating that the weather man's predictions of warmer weather would come true.

The request of the county fuel administrator for coal from the state fuel administration today reveals that the need is great all over the county. The request made by mail was for one car each for Glenwood, Milroy, Homer and Arlington and two cars for Carthage. This evening or tomorrow the administrator will ask for one car each for Gings and Mays and four for Rushville.

The one bright spot in the situation was the formation of an auxiliary committee under the fuel administration to take up the question of wood supply. The county administrator this morning held a meeting and called for volunteers to act on the committee. Will Jay, Dr. J. C. Sexton and T. W. Lytle at once volunteered and will meet this evening at five o'clock to outline a campaign. They will call on everyone having timber of any kind they are willing to contribute to notify any member of the committee. They have in mind a scheme to establish a municipal wood yard where they will sell wood at a margin which will pay out, without making any profit.

The worst phase of the developments today was the closing down of three factories. The Innis-Pearce and Park furniture factories and the Pinnell-Tompkins planing mill did not open this morning, the two

Unpatriotic to Order Coal If You Have Any Fuel Administrator

"People who are truly patriotic," said County Fuel Administrator Trabue today, "will not order coal while they have any and others are suffering for the want of it. Some people have been getting it under false pretenses—pretending they have no coal when they have. In Illinois they require an affidavit that the consumer is out of coal before he is allowed any. We don't want to have to come to that here. All ought to be patriotic enough not to order coal when they have any at all.

"It will be impossible to supply more than fifty per cent of the demand this winter, which makes it necessary to get wood. It is hoped that the farmers will immediately make arrangements to burn wood themselves and place it on the market."

former because they did not have enough coal to run and the latter because they did not have coal enough to keep the mill warm. Machinery there is operated by electricity. The Chas. E. Francis company has about a week's supply and the Rushville furniture factory's supply is almost exhausted.

The factories closing down threw hundreds of men out of employment—men who live by means of their daily labor and who will be without funds to buy fuel if the present condition lasts long.

The shortage in fuel is traced to the severe weather of the last ten days. Indiana coal production was cut down last week alone 400,000 tons because of the tie-up on railroads. Last Friday morning there were 750 loaded cars in Terre Haute and mines had to close down because of the last of cars. It was hoped to start the mines today.

CONSERVATION IN DELIVERY TO COME UP

Merchants Having Benson Delivery System Will Hold Banquet This Evening

3-YEAR TERM TO END SOON

The question of conservation in deliveries will be brought up at the banquet of the merchants having the Benson Delivery system being held at the Windsor hotel this evening. No definite idea has been suggested yet as to the methods of conservation that will be undertaken, but the merchants will endeavor to co-operate with the Council of Defense in their suggestions of conservation.

The three years term, for which the merchants agreed to take the system, will expire in February and at the meeting this evening minor changes in the system will be suggested. Thirteen concerns are using the system at this time.

MOVEMENT ON FOR EARLY CLOSING AGAIN

Majority of Grocers Favor it Both From Patriotic and Business Standpoint

SOME OF THEM DISSENTING

The early closing agitation is once more confronting merchants, with the result that many places of business which are now remaining open after six o'clock will likely close at that time when the Christmas shopping season has closed.

Just now the grocers are discussing the question. A majority of them favor closing at six o'clock, beginning after Christmas and continuing until spring. Some, however, have dissented. One grocer who favors the project has appealed to others not alone from a business standpoint—because there is very little business after supper cold nights—but also from a patriotic standpoint as a means of conserving fuel.

If arrangements are not made for early closing among all retail merchants after Christmas, it was authoritatively stated today that the fuel administration will make a request for such a step as a fuel conservation measure. It will be asked that all stores close at six o'clock, with the exception of drug stores, which will be asked to close at eight o'clock, and with the exception of Saturday night when all stores may remain open, and Monday night, when grocery stores may remain open. It will also be requested that merchants restrict their electric window displays after Christmas and that only the top light on the cluster lights be burned.

GERMANS SINK 14 BRITISH VESSELS

Four Destroyers Carry Out Raid, Send Down 8 Merchantmen, 5 Trawlers and Destroyer.

DAMAGE ANOTHER TRAWLER

(By United Press.)

London, Dec. 17.—Four German destroyers carried out a successful raid in British waters early Wednesday morning, sinking eight merchantmen, one British destroyer, five armed trawlers and damaging one other trawler.

The announcement of these losses was made in the house of commons today by first lord of the admiralty, Geddes, and Dr. McNamara, financial secretary to the admiralty. The British destroyer sunk was the Partridge. The second destroyer which formed an armed escort for the convoy described by Sir Erick Geddes, was the Pellew. The Pellew, according to Geddes, had a hole blown in her hull but escaped. On board her there were 4 British killed and two wounded.

Geddes reported there were fifty survivors of the Partridge and the trawlers, of which ten were wounded, which had been picked up by four German destroyers which attacked and were taken to Kiel. Eighty-eight Scandinavian prisoners were rescued by the destroyer. Others reached Norway in open boats.

W. M. McManus was fined \$1 and costs in police court today for public intoxication. He paid the fine.

MAKES FLOUR TO GO ABROAD

Clark's Mill Filling Order of 2,000 Barrels for Government

An order for 2,000 barrels of flour is being filled by the Clark Milling company this month to be sent to the Allies and American armies abroad. For several months, the local mill has received orders from the government with different amounts at different times. Some of the orders go to New York and some to Baltimore but all eventually go abroad.

FIRST MAN TO RETURN HIS QUESTIONNAIRE

Earl Laffer, Factory Worker, Claims Deferred Classification Because of Wife

71 QUESTIONNAIRES MAILED

Earl Laffer of North Willow street, Rushville, a factory worker, was the first registrant to return his questionnaire to the county army selection board filled out. He filled out part of the blanks himself, but had to call on the legal advisory board at the court house to complete the job. He was assisted by Donald Smith, a member of the legal advisory board. He claimed deferred classification because of a dependent wife and will go in class four if his claim is allowed.

Seventy-one more questionnaires were mailed today, making 142 which have been sent out. A like number will be sent out each day until every registrant who has not been sent to a camp has received one.

Registrants came in slowly today. Members of the advisory board urge that they visit the court house to fill out their questionnaires at their earliest convenience because of the rush which is likely to result towards the close of the session. The fact was developed today that every registrant who has a claim for deferred classification should bring with them to the board the persons who makes out the supporting affidavit so they may swear to it in the presence of a member of the board.

CROZIER SAYS THERE IS TOO MUCH RED TAPE

Chief of Ordnance Again Blames Congress and Committee Takes Him to Task

SLOW IN ALLOWING MONEY

(By United Press.)

Washington, Dec. 17.—Frankly admitting that there is too much red tape in the war government, Maj. Gen. Crozier chief of the ordnance, again today placed the blame on congress. A hot debate followed in the senate probe committee, with members, taking Crozier to task for continually blaming congress.

Crozier declared that congress had a copy of the war department estimate of \$1,900,000,000 on April 5, the day before war was declared.

"We didn't get the money until June 15," said Crozier. "This was a lump sum estimate which was asked authority to spend under supervision of the president. Congress asked detailed estimates. That is where time was lost. There is too much red tape."

ENTHUSIASM IS DISPLAYED AS RED CROSS DRIVE OPENS TODAY

Activity Centers Around Court House Where Recruiting Headquarters Are Opened

GOAL IS HALF POPULATION

Workers Will Meet in Court House Assembly Room Wednesday Night to Talk Shop

MASS MEETING IS HELD

Speakers Tell Something of War Conference, Emphasis Being Laid on Red Cross

Interest and enthusiasm were displayed at the opening of the Red Cross headquarters in the assembly room of the court house this morning at ten o'clock, when workers were "on the job" membership service flags were being given out, membership cards being signed, posters hung, membership tags given out, and activities started for the big membership drive which will continue until Christmas eve. During the drive, Red Cross will endeavor to enlist 50 per cent of the county's population in active membership.

"It is up to every one in the county to make this drive a success," said Chairman A. L. Riggs this morning in emphasizing the duty of every citizen in aiding to enlist members and the importance of their co-operation if every one in the county is reached. "Whether your name appears on committee or not, we are counting on you to help. There is work for every one to do."

A meeting is called for Wednesday evening at 7 o'clock in the assembly room of the court house for all workers for the campaign and for everyone that is interested. Ideas will be exchanged and plans made to further the success of the week. Canvassers are asked at this time to hand in a list of persons in their district who do and who do not belong to Red Cross. Persons are asked to drop in the headquarters at any time between 10 and 5 o'clock to make suggestions, to report persons who do not belong, if they are unable to get their membership, and to enlist for work in the drive.

An opportunity is open to the school teachers of the county by appointment on the membership committee. They are urged to enlist their pupils in Red Cross and to urge them to bring in the names of new members with the dues of one dollar. Anyone who is unable to serve on a committee or act as a canvasser is asked to notify someone at the headquarters immediately.

The majority of the workers attended the opening meeting of the campaign held at St. Paul's M. E. church yesterday afternoon when unusual interest and willingness to aid in the cause was shown. The entire meeting was given over to definite planning for the weeks campaign.

"The Red Cross is to help and the Red Cross can not help unless you help," was the keynote of last night's Red Cross mass meeting held at the First Baptist church, as struck by Judge Will M. Sparks in his talk on the work of the society. In the excellent speeches that were made, the purpose the work of Red Cross were brought out and Rush county's duty in doing her part in the war by aiding Red Cross was emphasized by each of the five speakers who dealt in an entirely different way with the subject.

The church was filled and a deep interest was shown throughout the meeting. The Rev. D. Ira Lambert, president of the ministerial association, presided, the Rev. C. S. Black read the scripture, the Rev. John T.

Any school teacher.
Red Cross seal stand at postoffice.
The canvasser in your district.
The canvasser in your lodge.

Aiken made the prayer, and the Rev. Mr. Parker pronounced the benediction. The short addresses on different phases of war relief were made by the Rev. C. J. Bunnell of the First Baptist church, Marion Dietrick, county emergency demonstration agent, Samuel L. Trabue, county fuel administrator, Judge Will M. Sparks, and E. B. Thomas, chairman of the Rush county Red Cross society.

"Some phases of this war lie especially close to my heart," began the Rev. C. J. Bunnell in the opening talk on the program, and one of them is how can the churches aid in winning the war." He spoke of the Monroe doctrine and mentioned the countries who had recognized it. If Germany wins the war, there will be no longer a Monroe doctrine, according to the speaker. "It is the duty of the churches in helping to win the war to see to it that democracy is vitalized with spiritual force. Democracy must be spiritualized to help. Russia has democracy but democracy run wild." He then mentioned several ways in which the churches could help. One was to see that the soldier boys were kept in the best of spirits by getting frequent letters.

Marion Dietrick, emergency demonstration agent, pointed out that one of the most important phases in winning the war is to increase the food production. "The world is facing a famine unless America raises as one man to prevent it. In 1881 Germany was raising 19 bushels of wheat to the acre, now she is raising 32 bushels to the acre on soil not as good as Rush county land." He urged the farmers to call upon him that he may aid them in increasing their acreage.

"Winning the war depends on the folks at home," said Samuel L. Trabue in his talk on the necessity of

Buying Seals Practical Expression of Xmas Spirit

(By The Rev. J. T. Aikin)

The custom of distributing Red Cross seals at the Christmas season is one which I heartily commend.

By such distribution we not only give financial support to the work of the society for prevention of tuberculosis, but we also call the attention of the general public to this important work. At the same time, too, we give a practical expression of the Christmas spirit.

Among the many needy causes which claim our support, none is more worthy than this one. Generous aid should be given the campaign for the sale and distribution of Red Cross Christmas seals by everyone who loves humanity.

RED CROSS SEAL FUND
HAS CLIMBED TO \$218

High School Girls Who Sold Seals in
Down Town Stores Added
\$64 to the Fund.

LETTERS STILL COMING IN

Already the Red Cross seal cam-
paign has far surpassed last year's
mark with a fund of \$218 in, and
every effort is being made to have
the fund climb much higher. The
high school girls who, dressed as Red
Cross nurses, sold seals in the down
town stores on Saturday, added
materially to the fund when they
sold \$64 worth. Miss Mildred Oneal
and Miss Stella Offutt sold the most
of any of the girls. They were sta-
tioned in Mauzy's store and next
came Miss Josephine Scholl and
Miss Marguerite Kelly, who sold
seals in Jones' store. The sum of
eight dollars was taken in at the
postoffice, where a stand will be ev-
ery afternoon until Christmas.

One hundred and forty-five dollars
have been taken in from the letters
sent out.

Over the county the sale is going
equally well. Dr. Coleman has sent
2,000 seals to the postmaster at Ma-
nilla, where persons in that locality
may purchase.

ENTHUSIASM DISPLAYED

sacrifice and conservation. "These
boys have sacrificed all that is near
and dear to them in protecting us
and we must protect them. The
French have said that the thing that
gave them strength to hold the bat-
tle lines against the worst odds was
their faith in the American people
that they knew we would come. How
many of us have gone? If we are
there, there is no sacrifice or bur-
den too heavy to bear. Let us throw
off this coat of selfishness and as
Pershing said at the tomb of Lafay-
ette when he reached France, say
with all of our hearts: 'Lafayette,
we are here.'"

Mr. Trabue showed by statistics
the seriousness of the coal situation
and the imperativeness of conserva-
tion of fuel.

"We must get into the spirit of
the Red Cross at the beginning of
this war," said Judge Will M.
Sparks. "We have made rapid
strides in membership but nothing
like we are going to make during
this next week. Before this war we
thought it was hard to follow the
commandment 'love thy neighbor as
thyself' but now as we see the trains
pull out carrying these precious
boys we love one another in a com-
mon sorrow. In behalf of these boys,

almost 300 of them from Rush
county, I urge you to join the Red
Cross. After the war there will be
thousands of graves in France say-
ing back to you, 'what did you do to
help? The Red Cross stands between
you and this great conflict. After
the war there will be boys bleeding

from lack of a bandage and faint
from lack of anaesthesia which you
and I might have furnished through
Red Cross.

E. B. Thomas, by giving statistics
as to what Red Cross is doing all
over the world, showed the value of
the organization. From this coun-

try, the society has sent 600,000
knitted sweaters, 800,000 blankets,
150,000 comforts, has established
34,033 hospitals in France, six can-
teens caring for 30,000 soldiers,
store houses taking in 200 tons of
supplies daily, and has started re-
creation huts for the soldiers. "Red

Cross looks after the refugees and
children, cares for tubercular pa-
tients, establishes factories for
surgical instruments and other nec-
essities," said Mr. Thomas in his
foreful talk which by facts showed
the duty of every citizen to join the
Red Cross.

DRY AWAIT HOUSE

VOTE CONFIDENTLY

Ballot on National Prohibition Amendment Scheduled For 5 p. m. Today

THIS IS ONLY PRELIMINARY

Washington, Dec. 17.—The house of representatives today started debate on the national prohibition amendment which has been approved by the senate.

Final vote scheduled for 5 p. m. was confidently awaited the anti-saloon forces. It was regarded by both sides as the preliminary to the big fight in the 48 state legislature, approval of 36 states being necessary.

Bitterness over organized labor's opposition to the amendment developed in the opening speech for the dries by Rep. Webb, author of the resolution.

MASONIC MEETING

There will be a Called meeting of Phoenix Lodge No. 62 F. & A. M. Tuesday evening at 7:30 p. m. Work in the F. C. Degree. A large attendance is desired.

Getting Even.

"Isn't it funny?" said Gladys, curiously, to her chum, Phyllis. "Father has promised to give me a pair of diamond earrings if I will stop having music lessons. I wonder why?"

"That's strange!" agreed Phyllis. "But you've never worn earrings, have you?"

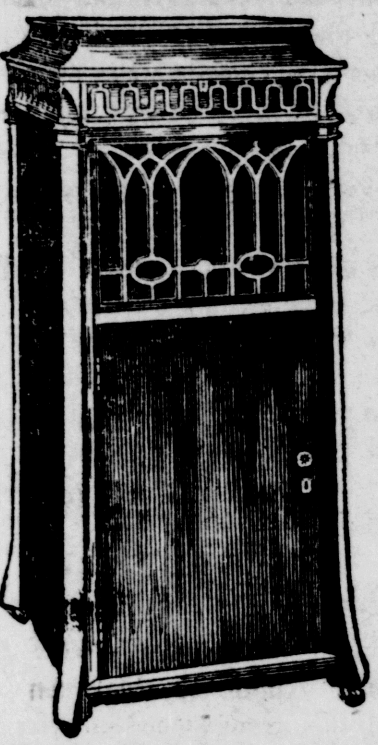

"No. I shall have to get my ears pierced."

"That explains it," said Phyllis, an innocent smile curving her ruby lips. "He wants to pay you back in your own coin."

Rotating Heel Wears Evenly.

The rotating heel is the latest footwear. It is made to do away with the problem of heels worn down on one side. A short but heavy bolt, screwing through threaded plates into the center of the heel and into the shoe, holds the heel firmly on. When one side of the heel starts to wear, you just loosen the bolt with a screw-driver and turn the heel around. The heels, of course, are made round and not the usual shape.

There Should be Music in Your Home on Xmas Day

And what better music can you wish for than that of the

New Edison Phonograph

The instrument that brings the artists to your own home. MAKE THE WHOLE FAMILY happy with one Splendid Present.

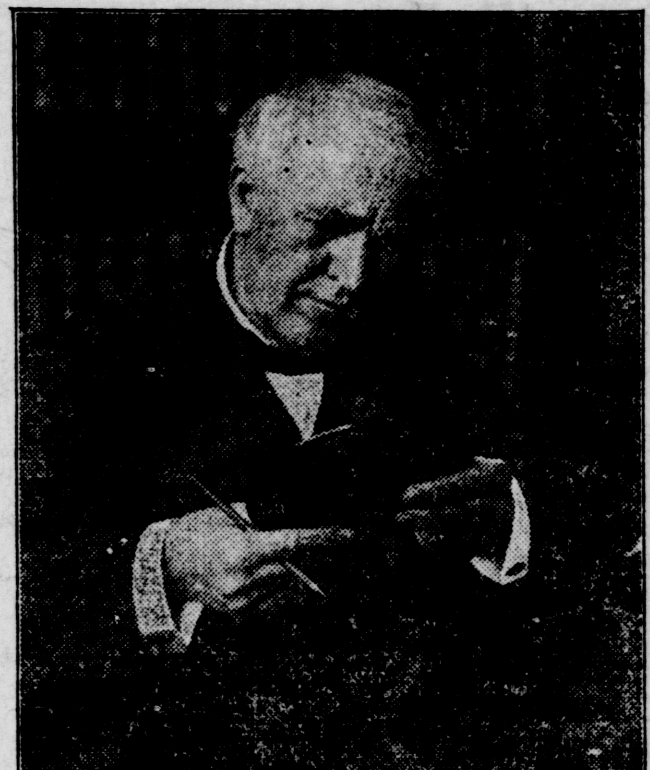

We ask you to order early before Xmas and give us a good opportunity to supply you with the exace finish and price instrument you want. Also records of music sung by the soldier boys when departing for the front.

Latest supplement of Records consists of the following selections:

WANT ADS BRING RESULTS

THE BEST PROOF

Given by a Rushville Citizen

Doan's Kidney Pills were used—they brought benefit.

The story was told to Rushville residents.

Time has strengthened the evidence.

Has proven the result lasting.

The testimony is home testimony.

The proof convincing.

It can be investigated by Rushville residents.

E. L. Hinkle, 815 N. Jackson St., says: "Sharp pains in my back radiated to all parts of my body and I was hardly able to walk. I couldn't rest well, owing to my kidneys acting irregularly. I found no relief whatever until I began using Doan's Kidney Pills. Nine boxes of Doan's entirely cured me and made me feel like a different man. The terrible pains in my back left me and my kidneys again acted regularly."

MORE THAN FIVE YEARS LATER, Mr. Hinkle said: "The cure Doan's Kidney Pills made for me is still lasting. I never have anything more serious now, than an occasional tired feeling across my back. A few doses of Doan's soon fix that up."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hinkle had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—(Adv.)

AMERICA ALWAYS FIRST

Make Demand For Wheatless Bread

Women must create a demand for bran, wholewheat and corn breads, until they are put on the menu of hotels and restaurants not only on wheatless days, but for constant use by patriotic food savers, according to a statement by Mrs. Hoover, wife of the U. S. Food Administrator, yesterday. She feels that many people will acquire the habit of eating coarse grained breads, if they have the opportunity of ordering them on six days of the week, instead of one.

Other advice of Mrs. Hoover to American women, is to stir the imagination of servants and people before whom they are demonstrating, to appreciate that their saving food actually conserves it for starvation.

Universal Red Cross Membership

Among those who realize from European experience since the war started the urgent need of virtually universal Red Cross membership in this country is Dr. Henry Van Dyke, of Princeton, formerly Minister to the Netherlands. Dr. Van Dyke makes this appeal under the caption: "A Red Cross Christmas to Those Who Feel Poor."

"I write as a brother.

"We are a large family.

"This world war Made in Germany against which we are fighting has sent our incomes down and our expenses up.

"The pinch hurts, but it is not going to kill us.

"We still have enough and something to spare.

"Though we feel poor don't let us feel impoverished by selfish fear.

"Let us save in food, in service, in clothes, in luxuries, but not in money.

"Let us use that by giving it to save the wounded, the suffering, our country.

"Let us keep Christmas this year by keeping up the Red Cross.

"Then it will not be a poor Christmas, but a rich Christmas to our hearts."

Marriage Licenses

Issued 50 Years Ago

Delitha Hummicht and Nathaniel Stewart were issued a marriage license fifty years ago today and were married December 24 following by the Rev. D. C. Benjamin. Ann E. Powell and John A. Caldwell were married fifty years ago Saturday, by the Rev. J. Carrol Stark, having procured a license two days prior to the wedding.

ing people. "There is some individual who is unknowingly dependent upon you, for life." She says, "it may be a soldier in the trenches, it may be a little child, it may be a peasant woman, who would not have anything to eat, next spring, if you do not think of them now."

ELLIOTT SAYS HE'LL VOTE FOR PROHIBITION

Congressman Replies to Telegram Sent by Churches Favoring Dry Amendment

MESSAGE READ SUNDAY NIGHT

A letter has been received by the Rev. C. J. Bunnell, secretary of the Rushville ministerial association, from Congressman Richard N. Elliott in response to the telegram sent to him in behalf of the congregations of the city who voted unanimously for the prohibition amendment to the constitution. The telegram urged that the congressman work and vote for the dry measure. The letter, which was read at the union Red Cross meeting at the First Baptist church last evening, follows:

"Your favor of December 11, at hand and I was much pleased to hear from you. Will you kindly convey to the members of your association my assurance that I favor the prohibition amendment to the United States constitution and that I intend to vote for the same."

HEAR FROM HARVEY ALLEN

Several friends of Harvey Allen at the postoffice have received postal cards from him, mailed at Bordeaux, France, which is the first word which has been received from him by mail since his safe arrival abroad. Mr. Allen indicates that he suffered some seasickness going over. Mr. Allen is in the postal service.

An eight pound son has been born to the wife of Otto Lewark n North Jackson street. The baby has been named Robert.

RUSHVILLE PUTS UP STIFF GAME

High School Basketball Team Threatens to Take Lead From Bloomington Several Times

LOSES GAME SATURDAY NIGHT

Visitors Show Best of Any Quintet on Floor Here This Season—Joke on Connersville

Rushville threatened many times to take the lead away from Bloomington high school in the basketball game at the Graham Annex gym Saturday night, but the visiting quintet was just a little too fast for the local ball tossers and they ultimately took the long end of a 35 to 23 score in one of the prettiest games seen here this season.

The Bloomington quintet was a scrappy bunch and several times when it looked very much like Rushville would forge ahead, they always came up with a spurt and caged two or three baskets, getting a safe lead again.

Rushville played a much better game than they did two weeks ago against Shelbyville. The kind of playing they exhibited Saturday night would have defeated Shelbyville. Bloomington's five was faster than anything seen here this year, Markson being especially fast at forward.

Rushville pulled some stuff that would take the heart out of most teams, when Keating and Reed made

field goals from the center of the floor in quick succession soon after the opening of the second half, but Bloomington never flinched and came right back smiling.

Connersville evidently thought the joke was on Rushville when it was learned Saturday night that Bloomington had defeated Connersville's quintet Friday night, 56 to 12, because Connersville sent the report over here that Bloomington had won by the score of 14 to 12, but in reality the joke was on Connersville because it suffered by comparison between the two games.

The line-up and summary:

Keating	Forwards	Markson
Tompkins	Center	Rogers
Dailey		Esarey
Reed	Guards	Robinson

Norris Substitutions: Rushville—Brown for Tompkins; Bloomington—May for Markson.

Field goals: Rushville—Keating, 2; Tompkins, 2; Dailey, 1; Reed, 3; Norris, 2; Bloomington—Markson, 7; Rogers, 5; Esarey, 3; May, 1.

Foul goals: Rushville—Keating, 2; Tompkins, 1; Bloomington—Esarey, 3.

WILL BE ON GUARD DUTY

Ross Neary Going to New York to Enlist in Home Work

Ross Neary, formerly a member of the police force, will go to New York soon to do guard duty for the government. Mr. Neary served eight years as a member of Troop B, Second Cavalry of the regular army, and went through the Spanish-American war, afterwards receiving an honorable discharge. It was through his former connections that he obtained a place in the guard because men are being recruited by a former officer of his troop. His wife will accompany him. The home guard troops which are being organized will replace state and regular army units which have been used guarding docks, munition plants, bridges, railroad and public utilities.

Mrs. Mary Ford, formerly of this city and now living with her daughter, Mrs. Ernest Black of Muncie, broke her hip on Saturday when she slipped and had a bad fall. The particulars of the accident are not known.

DELICATE GIRLS IN Business or School who have thin or insufficient blood or are physically frail will find

Society

Friends here will be interested in the announcement of the marriage of Miss Jessie Bernardo Shackle, daughter of Jesse J. Shackle of Greenfield, to Sergeant Clarence L. Weber of Indianapolis, which took place Monday evening, December 3. Mr. and Mrs. Patton were the attendants. The Rev. Allan B. Philpott of the Central Christian of Indianapolis officiated. Mr. Weber is a member of Company B, One Hundred and Thirty-ninth Machine Gun Brigade and has gone to Hattiesburg, where he is stationed at Camp Shelby, Miss. Mrs. Weber will remain with her father. Mrs. Weber is well known in this city, having visited here on several occasions.

Honoring the two house guests of Denning Havens, Carl Goe and Stanley Wilson, of Indianapolis, Miss Josephine Kelly entertained at dinner at her home in North Harrison street last evening. Other guests aside from Mr. Havens and his guests were J. C. Reddick, and the Misses Lucile Linn and Ada Fischer. Mr. Goe and Mr. Wilson have returned to their home in Indianapolis.

Mrs. Miller Hamilton, formerly Miss Erema Wilk of this city and now living in Washington, D. C. was one of the delegates to represent Indiana at the suffrage convention held at the capital last week. There were twenty-four other delegates from this state and Mrs. Hamilton attended all of the suffrage meetings and festivities in connection with the convention.

The Ladies Aid society of St. Paul's M. E. church will be entertained tomorrow afternoon at the home of Mrs. J. P. Frazee at 509 North Main street with Mrs. Susan McCoglin and Mrs. Charles Moore as assistant hostesses. Everyone is urged to bring their needles and thimbles to sew for Red Cross.

The regular meeting of the D. A. R. will be held Thursday afternoon in the rest room of the court house. The meetings will not be held in the private homes on account of the shortage of fuel. As a most interesting program has been arranged it is

especially desirable that all of the members be present.

The Loyal Daughters class of the Christian church will be entertained by Mrs. Walter Frazee tomorrow evening at her home in North Harrison street. The assistant hostesses will be Mrs. Harry Meyers, Miss Dora Winkler and Mrs. Blanche McNamara.

Counting a Billion.

We are beginning to speak of a billion of dollars as we used to speak of a million, says the Ladies' Home Journal. But do we really know what a billion dollars means? As an example, an expert counter of money in the treasury department at Washington can count 4,000 silver dollars in an hour. So working eight hours a day, he counts 32,000 silver dollars in a day. At that rate it takes him more than a month to count a million silver dollars—a little over 31 days, to be exact. Therefore, if he kept this up for ten years he would have counted 100 million dollars. Now, to get an idea of what a billion dollars means, in silver, it would take 102 years of steady work, eight hours a day, to count a billion dollars in silver.

TO REGULATE FOOD SUPPLY IN HOTELS

Immense Savings in Hotels by Meatless and Wheatless Days Show Possibilities

MAY FIX PRICE OF PORK

Council of Defense and Food Administration Plan Further Food Conservation Steps

Indianapolis, Dec. 17.—The Indiana State Council of Defense and the Indiana Food Administration, headed by Dr. Harry E. Barnard are watching with interest the proposed revision of the Lever food control law, by the present session of congress.

It is announced that the proposals will cover the following points:

1. To regulate portions of food served in hotels and restaurants a step toward fixed rations in public eating places.
2. To stabilize the prices of pork products, possibly beginning with a fixed price for hogs.
3. To deal with sugar, vegetable oils and a few other commodities as is now done with wheat.

Statistics show immense savings in hotels, restaurants, boarding houses clubs etc. as a result of the wheatless and meatless days. These figures indicate the possibilities of still further elimination of the excesses of hotel and public eating house serving, it is said.

Herbert Hoover, food administrator and his aides are reported as favorable to some such legislation, the details of which they are working out with the co-operation of men who understand the situation as it affects the larger cities, where the principal savings have been effected.

Marriage licenses have been issued to Miss Helen Souder and Herman L. Dyer and to Miss Cecilia K. Fore and Roy C. Hartwell.

Red Cross Notes

A member of the Red Cross will be at the George C. Wyatt furniture store every afternoon this week to give out hospital garments to be made and to take in those that have been completed. This arrangement has been made because the headquarters will not be opened during the week on account of the cold weather and the sewers do not wish to suspend work altogether.

Another shipment of knitted goods was made by Red Cross Saturday. Included in the supply were 8 pair of wristlets, 6 helmets and 31 105 sweaters, 90 pair of socks, 10 scarfs. The goods was packed by George C. Wyatt and Co.

TODAY'S ODDEST STORY

Hammond, Ind., Dec. 17.—The following took place in the recruiting office here between a "young lad" of twenty-nine years and Sergeant Welch.

The boy said, "Mother has consented to my offering my services to your forces, officer, since they are going to stop volunteering after December 15, providing you can give me an officer's position. If you think you can assure me of this I will consider joining your army."

The sergeant finally came to his senses in time to murmur, "well, sonny, you see, General Pershing hasn't sent me his resignation papers yet but I will notify you when he does."

The Caloric Pipeless Furnace

For the kind of weather we have had for the last 2 weeks. This furnace has proven to be just the thing needed. If you would have solid comfort in your house another winter, investigate now. The following named persons have them:

W. H. Smelser
James H. Hay
Amos Glidden
Albert Bitner
Fred Reddick
Del Miles
Eli Martin
Peter Kraus
J. R. Henry, Mays
Guy Jacobs, Mays
Raleigh Christian Church.

SANTA CLAUS LETTERS

Dear Santa Claus:

I am a little girl six years old. Would you please bring me a stove, a doll bed, a little doll house, a go-cart and a chair. My little brother would like to have a drum, a ball, some structure blocks and a picture book. Please bring us a few nuts and oranges but don't forget other little girls and boys.

MARGERY & JOHN ANDERSON.

Dear Santa:

I am a little boy 7 years old. I would like for you to bring me a horn, Tinker-toy, a set of work tools, flash light, some shots for my gun, candy, nuts, oranges, and bananas. Don't forget a Christmas tree.

I have a little baby brother, Thomas, who wants a rattle-box and a rubber doll.

Don't forget the poor little French and Belgian children who will be looking for you this year too. I am Your little friend,

ROBERT J. BISHOP.

Dear Santa Claus:

I want you to bring me a set of china dishes, a table, a black board, a linen book, the toy town post office game, a game of Lotto. I thank you for the presents you gave me last Christmas. Good-bye.

Your Little Friend.

ROSEZENTA SNAPP.

Dear Santa Claus:

I want you to bring me a big doll and some pretty ribbons, peanuts, candy and oranges.

Yours lovingly,

MABLE CAMPBELL.

P. S. Don't forget mother.

Dear Santa Claus:

I want you to bring me a steam engine and three pounds of candy.

Yours truly,

HUBERT CAMPBELL.

Dear Santa Claus:

I want you to bring me a B. B. gun and a monkey that climbs a rope, nuts, candy, oranges and apples.

Yours lovingly,

RAYMOND CAMPBELL.

P. S. Don't forget my uncle in the war.

Dear Santa Claus:

I am a little girl 9 years old. I want a go-cart for my doll and a pair of gloves, a set of play dishes, candy, oranges and nuts.

IRENE PEA.

607—West Market St.

Dear Santa Claus:

I am a little boy 8 years old. Please bring me a jersey, an air rifle and bee-bees, and a mackinaw and a pair of boy scout leggings also, some candy, nuts and oranges.

Your friend,

ROBERT PITMAN.

My Dear Santa:

I am a little boy seven years old. Please bring me a stocking cap, automobile big enough for me to ride in, Ball Glove, Gun, a nice big tool chest and candy, nuts and oranges. I live up by Henderson now. From your little friend.

WALDO NYAL STEVENS.

Dear Santa:

I am a little girl seven years old. Please bring me a stove with pot, pans, skillets, and a dresser, rocking horse, and a broom, and a doll cab, and a sleeping doll. Good-bye. That is all. Your Little Friend, MARY GLADYS SNAPP to SANTA

Dear Santa:

I am a little boy 6 years old. I want a blank cartridge gun and a drum, and a little wagon, and jingle bells to put on Tobie, candy, oranges and nuts.

WALTER THOMAS PEA.

607 West Market St.

Dear Santa:

I am a little girl four years old. Please bring me a Xmas tree, a doll, a story book and some candy. Would like to have a sled if you think best. Please do not forget baby sister.

VIRGINIA BUSSARD.

Dear Santa:

I am a little girl 10 years old. Please bring me a sand working toy, a piano, eradle, fancy gift book, fairy tale book, train on the track.

Good-bye. That is all.

Your little Friend.

Amusements

Little Mary Sunshine appears at the Gem theatre this evening in a play particularly adapted to her talents, "Captain Kiddo." The child wonder takes a difficult role here. There will also be a Pathe News feature. Tomorrow, the last two episodes of, "The Neglected Wife," will be shown. Another Lonesome Luke comedy will also be on the program.

A typical story of boarding school life is to be told at the Princess theater tomorrow evening in, "The Varmint," in which Jack Pickford and Louise Huff are stirring. A football game is shown and a number of other scenes which make the film full of college atmosphere. Tonight, "The Gaardian," is the feature with June Elvidge, Montagu Love, and Arthur Ashley in the leading roles.

ENLIST IN AVIATION

Dan Hughes, son of Mr. and Mrs. Thomas Hughes, and Cecil Hudson, of Connersville, son of Mr. and Mrs. Robert Hudson, formerly of this city, reported in Indianapolis today to be sent to a training camp for the aviation service. They were accepted at the Indianapolis recruiting station yesterday.

30 STARS IN SERVICE FLAG

A large service flag bearing 30 stars, for the thirty Catholic boys who have joined the colors, will be hanging in St. Mary's Catholic church for midnight mass on Christmas eve. The flag is being presented by a number of the girls in the church.

SUPPLIES CONTRACT LEFT

The county commissioners have awarded the contract for office supplies for the court year 1918 to the A. E. Boyce company of Muncie, the same firm which has the contract this year. The Levy Brothers company of Indianapolis was the only other bidder.

1918 Auto licenses now. Louis Hiner, Republican office.

THREE FACTORIES CLOSE BECAUSE OF LACK OF FUEL

Two Others Are On Verge of Closing Down, And Consumers Are Clamoring For Coal, Which Makes Situation Here Most Serious It Has Ever Been. Volunteer Committee Goes To Work To Relieve Conditions By Locating Wood Supply.

Two Cars of Coal Arrive Today, But One on Way Here Is Confiscated By Railroad

NOT EXPECTED TO LAST LONG

Request of Fuel Administration for 12 Cars Reveal Conditions Over County Are Bad

The fuel situation today was the most serious it has ever been. This was the statement of S. L. Trabue, county fuel administrator, who is in close touch with the situation, and the developments of the last forty-eight hours revealed a condition which has not existed up to this time.

With three factories closed on account of the lack of fuel, two on the verge of closing and domestic consumers clamoring for coal, there is no doubt but that the city is in the most dire distress it has ever been.

Two cars of coal arrived this morning, but it was estimated it would all be sold for domestic use before night. One car for Reed and son, consigned by the fuel administration, was confiscated enroute by the railroad company, the excuse being given that the car was in bad repair and could not be moved farther. Another car was promised in its place, but it will not arrive as soon as the one which was on the road. The two cars set off here this morning were for Harry Pea and Will Treunepohl.

The prediction of warmer weather for this week indicates that distress will not be so great among those without fuel, but nevertheless fuel will be required to keep homes warm, although not in such large quantities were it to continue so cold as it has been for the last ten days.

The mercury went down below zero last night, this time ten degrees, but gradually rose today, indicating that the weather man's predictions of warmer weather would come true.

The request of the county fuel administrator for coal from the state fuel administration today reveals that the need is great all over the county. The request made by mail was for one car each for Glenwood, Milroy, Homer and Arlington and two cars for Carthage. This evening or tomorrow the administrator will ask for one car each for Gings and Mays and four for Rushville.

The one bright spot in the situation was the formation of an auxiliary committee under the fuel administration to take up the question of wood supply. The county administrator this morning held a meeting and called for volunteers to act on the committee. Will Jay, Dr. J. C. Sexton and T. W. Lytle at once volunteered and will meet this evening at five o'clock to outline a campaign. They will call on everyone having timber of any kind they are willing to contribute to notify any member of the committee. They have in mind a scheme to establish a municipal wood yard where they will sell wood at a margin which will pay out, without making any profit.

The worst phase of the developments today was the closing down of three factories. The Innis-Pearce and Park furniture factories and the Pinedale-Tompson planing mill did not open this morning, the two

Unpatriotic to Order Coal If You Have Any Fuel Administrator

"People who are truly patriotic," said County Fuel Administrator Trabue today, "will not order coal while they have any and others are suffering for the want of it. Some people have been getting it under false pretenses—pretending they have no coal when they have. In Illinois they require an affidavit that the consumer is out of coal before he is allowed any. We don't want to have to come to that here. All ought to be patriotic enough not to order coal when they have any at all.

"It will be impossible to supply more than fifty per cent of the demand this winter, which makes it necessary to get wood. It is hoped that the farmers will immediately make arrangements to burn wood themselves and place it on the market."

former because they did not have enough coal to run and the latter because they did not have coal enough to keep the mill warm. Machinery there is operated by electricity. The Chas. E. Francis company has about a week's supply and the Rushville furniture factory's supply is almost exhausted.

The factories closing down threw hundreds of men out of employment—men who live by means of their daily labor and who will be without funds to buy fuel if the present condition lasts long.

The shortage in fuel is traced to the severe weather of the last ten days. Indiana coal production was cut down last week alone 400,000 tons because of the tie-up on railroads. Last Friday morning there were 750 loaded cars in Terre Haute and mines had to close down because of the last of cars. It was hoped to start the mines today.

CONSERVATION IN DELIVERY TO COME UP

Merchants Having Benson Delivery System Will Hold Banquet This Evening

3-YEAR TERM TO END SOON

The question of conservation in deliveries will be brought up at the banquet of the merchants having the Benson Delivery system being held at the Windsor hotel this evening. No definite idea has been suggested yet as to the methods of conservation that will be undertaken, but the merchants will endeavor to co-operate with the Council of Defense in their suggestions of conservation.

The three years term, for which the merchants agreed to take the system, will expire in February and at the meeting this evening minor changes in the system will be suggested. Thirteen concerns are using the system at this time.

MOVEMENT ON FOR EARLY CLOSING AGAIN

Majority of Grocers Favor It Both From Patriotic and Business Standpoint

SOME OF THEM DISSENTING

The early closing agitation is once more confronting merchants, with the result that many places of business which are now remaining open after six o'clock will likely close at that time when the Christmas shopping season has closed.

Just now the grocers are discussing the question. A majority of them favor closing at six o'clock, beginning after Christmas and continuing until spring. Some, however, have dissented. One grocer who favors the project has appealed to others not alone from a business standpoint—because there is very little business after supper cold nights—but also from a patriotic standpoint as a means of conserving fuel.

If arrangements are not made for early closing among all retail merchants after Christmas, it was authoritatively stated today that the fuel administration will make a request for such a step as a fuel conservation measure. It will be asked that all stores close at six o'clock, with the exception of drug stores, which will be asked to close at eight o'clock, and with the exception of Saturday night when all stores may remain open, and Monday night, when grocery stores may remain open. It will also be requested that merchants restrict their electric window displays after Christmas and that only the top light on the cluster lights be burned.

GERMANS SINK 14 BRITISH VESSELS

Four Destroyers Carry Out Raid, Send Down 8 Merchantmen, 5 Trawlers and Destroyer.

DAMAGE ANOTHER TRAWLER

(By United Press.)

London, Dec. 17.—Four German destroyers carried out a successful raid in British waters early Wednesday morning, sinking eight merchantmen, one British destroyer, five armed trawlers and damaging one other trawler.

The announcement of these losses was made in the house of commons today by first lord of the admiralty, Geddes, and Dr. McNamara, financial secretary to the admiralty. The British destroyer sunk was the Partridge. The second destroyer which formed an armed escort for the convoy described by Sir Erick Geddes, was the Pellew. The Pellew, according to Geddes, had a hole, blown in her hull but escaped. On board her there were 4 British killed and two wounded.

Geddes reported there were fifty survivors of the Partridge and the trawlers, of which ten were wounded, which had been picked up by four German destroyers which attacked and were taken to Kiel. Eighty-eight Scandinavian prisoners were rescued by the destroyer. Others reached Norway in open boats.

W. M. McMann was fined \$1 and costs in police court today for public intoxication. He paid the fine.

MAKES FLOUR TO GO ABROAD

Clark's Mill Filling Order of 2,000 Barrels for Government

An order for 2,000 barrels of flour is being filled by the Clark Milling company this month to be sent to the Allies and American armies abroad. For several months, the local mill has received orders from the government with different amounts at different times. Some of the orders go to New York and some to Baltimore but all eventually go abroad.

FIRST MAN TO RETURN HIS QUESTIONNAIRE

Earl Laffer, Factory Worker, Claims Deferred Classification Because of Wife

71 QUESTIONNAIRES MAILED

Earl Laffer of North Willow street, Rushville, a factory worker, was the first registrant to return his questionnaire to the county army selection board filled out. He filled out part of the blanks himself, but had to call on the legal advisory board at the court house to complete the job. He was assisted by Donald Smith, a member of the legal advisory board. He claimed deferred classification because of a dependant wife and will go in class four if his claim is allowed.

Seventy-one more questionnaires were mailed today, making 142 which have been sent out. A like number will be sent out each day until every registrant who has not been sent to a camp has received one.

Registrants came in slowly today. Members of the advisory board urge that they visit the court house to fill out their questionnaires at their earliest convenience because of the rush which is likely to result towards the close of the session. The fact was developed today that every registrant who has a claim for deferred classification should bring with them to the board the persons who makes out the supporting affidavit so they may swear to it in the presence of a member of the board.

CROZIER SAYS THERE IS TOO MUCH RED TAPE

Chief of Ordnance Again Blames Congress and Committee Takes Him to Task

SLOW IN ALLOWING MONEY

(By United Press.)

Washington, Dec. 17.—Frankly admitting that there is too much red tape in the war government, Maj. Gen. Crozier chief of the ordnance, again today placed the blame on congress. A hot debate followed in the senate probe committee, with members taking Crozier to task for continually blaming congress.

Crozier declared that congress had a copy of the war department estimate of \$1,900,000,000 on April 5, the day before war was declared.

"We didn't get the money until June 15," said Crozier. "This was a lump sum estimate which was asked authority to spend under supervision of the president. Congress asked detailed estimates. That is where time was lost. There is too much red tape."

ENTHUSIASM IS DISPLAYED AS RED CROSS DRIVE OPENS TODAY

Activity Centers Around Court House Where Recruiting Headquarters Are Opened

GOAL IS HALF POPULATION

Workers Will Meet in Court House Assembly Room Wednesday Night to Talk Shop

MASS MEETING IS HELD

Speakers Tell Something of War Conference, Emphasis Being Laid on Red Cross

Interest and enthusiasm were displayed at the opening of the Red Cross headquarters in the assembly room of the court house this morning at ten o'clock, when workers were "on the job" membership service flags were being given out, membership cards being signed, posters hung, membership tags given out, and activities started for the big membership drive which will continue until Christmas eve. During the drive, Red Cross will endeavor to enlist 50 per cent of the county's population in active membership.

"It is up to every one in the county to make this drive a success," said Chairman A. L. Riggs this morning in emphasizing the duty of every citizen in aiding to enlist members and the importance of their co-operation if every one in the county is reached. "Whether your name appears on committee or not, we are counting on you to help. There is work for every one to do."

A meeting is called for Wednesday evening at 7 o'clock in the assembly room of the court house for all workers for the campaign and for everyone that is interested. Ideas will be exchanged and plans made to further the success of the week. Canvassers are asked at this time to hand in a list of persons in their district who do and who do not belong to Red Cross. Persons are asked to drop in the headquarters at any time between 10 and 5 o'clock to make suggestions, to report persons who do not belong, if they are unable to get their membership, and to enlist for work in the drive.

An opportunity is open to the school teachers of the county by appointment on the membership committee. They are urged to enlist their pupils in Red Cross and to urge them to bring in the names of new members with the dues of one dollar. Anyone who is unable to serve on a committee or act as a canvasser is asked to notify someone at the headquarters immediately.

The majority of the workers attended the opening meeting of the campaign held at St. Paul's M. E. church yesterday afternoon when unusual interest and willingness to aid in the cause was shown. The entire meeting was given over to definite planning for the weeks campaign.

"The Red Cross is to help and the Red Cross can not help unless you help," was the keynote of last night's Red Cross mass meeting held at the First Baptist church, as struck by Judge Will M. Sparks in his talk on the work of the society. In the excellent speeches that were made, the purpose of the work of Red Cross were brought out and Rush county's duty in doing her part in the war by aiding Red Cross was emphasized by each of the five speakers who dealt in an entirely different way with the subject.

The church was filled and a deep interest was shown throughout the meeting. The Rev. D. Ira Lambert, president of the ministerial association, presided. The Rev. C. J. Bunnell, pastor of the First Baptist church, read the scripture the Rev. John D.

Where You May Join the Red Cross

Recruiting headquarters in assembly at court house. Phone 1996, 3 rings.

Any bank.
Any of the five newspaper offices in the county.
Any doctor.
Any lawyer.
Any minister.
Any merchant.
Any school teacher.
Red Cross seal stand at postoffice.
The canvasser in your district.
The canvasser in your lodge.

Aiken made the prayer, and the Rev. Mr. Parker pronounced the benediction. The short addresses on different phases of war relief were made by the Rev. C. J. Bunnell of the First Baptist church, Marion Dietrick, county emergency demonstration agent, Samuel L. Trabue, county fuel administrator, Judge Will M. Sparks, and E. B. Thomas, chairman of the Rush county Red Cross society.

"Some phases of this war lie especially close to my heart," began the Rev. C. J. Bunnell in the opening talk on the program, "and one of them is how can the churches aid in winning the war." He spoke of the Monroe doctrine, and mentioned the countries who had recognized it. If Germany wins the war, there will be no longer a Monroe doctrine, according to the speaker. "It is the duty if the churches in helping to win the war to see to it that democracy is vitalized with spiritual force. Democracy must be spiritualized to help. Russia has democracy but democracy run wild." He then mentioned several ways in which the churches could help. One was to see that the soldier boys were kept in the best of spirits by getting frequent letters.

Marion Dietrick, emergency demonstration agent, pointed out that one of the most important phases in winning the war is to increase the food production. "The world is facing a famine unless America raises as one man to prevent it. In 1881 Germany was raising 19 bushels of wheat to the acre, now she is raising 32 bushels to the acre on soil not as good as Rush county land." He urged the farmers to call upon him that he may aid them in increasing their acreage.

"Winning the war depends on the folks at home," said Samuel L. Trabue in his talk on the necessity of

Buying Seals Practical Expression of Xmas Spirit

(By The Rev. J. T. Aikin)

The custom of distributing Red Cross seals at the Christmas season is one which I heartily commend.

By such distribution we not only give financial support to the work of the society for prevention of tuberculosis, but we also call the attention of the general public to this important work. At the same time, too, we give a practical expression of the Christmas spirit.

Among the many needy causes which claim our support, none is more worthy than this one. Generous aid should be given the campaign for the sale and distribution of Red Cross Christmas seals. Let everyone who loves humanity

RED CROSS SEAL FUND HAS CLIMBED TO \$218

High School Girls Who Sold Seals in Down Town Stores Added \$64 to the Fund.

LETTERS STILL COMING IN

Already the Red Cross seal campaign has far surpassed last year's mark with a fund of \$218 in, and every effort is being made to have the fund climb much higher. The high school girls who, dressed as Red Cross nurses, sold seals in the downtown stores on Saturday, added materially to the fund when they sold \$64 worth. Miss Mildred Oneal and Miss Stella Offutt sold the most of any of the girls. They were stationed in Maunzy's store and next came Miss Josephine Scholl and Miss Marguerite Kelly, who sold seals in Jones' store. The sum of eight dollars was taken in at the postoffice, where a stand will be every afternoon until Christmas.

One hundred and forty-five dollars have been taken in from the letters sent out.

Over the county the sale is going equally well. Dr. Coleman has sent 2,000 seals to the postmaster at Mankila, where persons in that locality may purchase.

ENTHUSIASM DISPLAYED AS RED CROSS DRIVE OPENS

Continued on Page 4

sacrifice and conservation. "These boys have sacrificed all that is near and dear to them in protecting us and we must protect them. The French have said that the thing that gave them strength to hold the battle lines against the worst odds was their faith in the American people that they knew we would come. How many of us have gone? If we are there, there is no sacrifice or burden too heavy to bear. Let us throw off this coat of selfishness and as Pershing said at the tomb of Lafayette when he reached France, say with all of our hearts: 'Lafayette, we are here.'"

Mr. Trabue showed by statistics the seriousness of the coal situation and the imperative need of conservation of fuel.

"We must get into the spirit of the Red Cross at the beginning of this war," said Judge Will M. Sparks. "We have made rapid strides in membership but nothing like we are going to make during this next week. Before this war we thought it was hard to follow the commandment 'Love thy neighbor as thyself' but now as we see the trains pull out carrying these precious boys we love one another in a common sorrow. In behalf of these boys

almost 300 of them from Rush county, I urge you to join the Red Cross. After the war there will be thousands of graves in France saying back to you, 'what did you do to help?' The Red Cross stands between you and this great suffering. After the war there will be no bleeding from lack of a bandage and faint from lack of an anesthetic which you and I might have furnished through the Red Cross.

E. B. Thomas, by giving statistics as to what the Red Cross is doing all over the world since the start of the war, has shown that the Red Cross has sent 600,000 blankets, 150,000 comforts, has established 34,034 hospitals in France, six convalescent homes, 30,000 soldiers' homes, taking in 200 tons of supplies daily and has started a program of relief in the world.

Cross looks after the refugees and children; cares for tubercular patients; establishes factories to supply instruments and other necessities; and Mr. Thomas in his forthright talk which by facts showed the Red Cross is ever ready to help.

DRY AWAIT HOUSE VOTE CONFIDENTLY

Ballot on National Prohibition Amendment Scheduled For 5 p. m. Today

THIS IS ONLY PRELIMINARY

Washington, Dec. 17.—The house of representatives today started debate on the national prohibition amendment which has been approved by the senate.

Final vote scheduled for 5 p. m. was confidently awaited the anti-saloon forces. It was regarded by both sides as the preliminary to the big fight in the 48 state legislature, approval of 36 states being necessary.

Bitterness over organized labor's opposition to the amendment developed in the opening speech for the dries by Rep. Webb, author of the resolution.

MASONIC MEETING

There will be a called meeting of Phoenix Lodge No. 62 F. & A. M. Tuesday evening at 7:30 p. m. Work in the F. C. Degree. A large attendance is desired.

Getting Even.

"Isn't it funny?" said Gladys, curiously, to her chum, Phyllis. "Father has promised to give me a pair of diamond earrings if I will stop having music lessons. I wonder why?"

"That's strange!" agreed Phyllis. "But you've never worn earrings, have you?"

"No, I shall have to get my ears pierced."

"That explains it," said Phyllis, an innocent smile curving her ruby lips. "He wants to pay you back in your own coin."

Rotating Heel Wears Evenly.

The rotating heel is the latest footwear. It is made to do away with the problem of heels worn down on one side. A short but heavy bolt, screwing through threaded plates into the center of the heel and into the shoe, holds the heel firmly on. When one side of the heel starts to wear, you just loosen the bolt with a screw-driver and turn the heel around. This heels, of course, are made round and

There Should be Music in Your Home on Xmas Day

DO YOUR SHOPPING EARLY

THE BEST PROOF

Given by a Rushville Citizen

Doan's Kidney Pills were used—they brought benefit.

The story was told to Rushville residents.

Time has strengthened the evidence.

Has proven the result lasting.

The testimony is home testimony.

The proof convincing.

It can be investigated by Rushville residents.

E. L. Hinkle, 815 N. Jackson St., says: "Sharp pains in my back radiated to all parts of my body and I was hardly able to walk. I couldn't rest well, owing to my kidneys acting irregularly. I found no relief whatever until I began using Doan's Kidney Pills. Nine boxes of Doan's entirely cured me and made me feel like a different man. The terrible pains in my back left me and my kidneys again acted regularly."

MORE THAN FIVE YEARS LATER, Mr. Hinkle said: "The cure Doan's Kidney Pills made for me is still lasting. I never have anything more serious now, than an occasional tired feeling across my back. A few doses of Doan's soon fix that up."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hinkle had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—(Adv.)

Make Demand For Wheatless Bread

Women must create a demand for bran, wholewheat and corn breads, until they are put on the menu of hotels and restaurants not only on wheatless days, but for constant use by patriotic food savers, according to a statement by Mrs. Hoover, wife of the U. S. Food Administrator, yesterday. She feels that many people will acquire the habit of eating coarse grained breads, if they have the opportunity of ordering them on six days of the week, instead of one.

Other advice of Mrs. Hoover to American women, is to stir the imagination of servants and people before whom they are demonstrating, to appreciate that their saving food actually conserves it for starving

Marriage Licenses

Issued 50 Years Ago

Delitha Hunnigut and Nathaniel Stewart were issued a marriage license fifty years ago today and were married December 24 following by the Rev. D. C. Benjamin. Ann E. Powell and John A. Caldwell were married fifty years ago Saturday, by the Rev. J. Carrol Stark, having procured a license two days prior to the wedding.

ing people. "There is some individual who is unknowingly dependent upon you, for life." She says, "it may be a soldier in the trenches, it may be a little child, it may be a peasant woman, who would not have anything to eat, next spring, if you do not think of them now."

Universal Red Cross Membership

Among those who realize from European experience since the war started the urgent need of virtually universal Red Cross membership in this country is Dr. Henry Van Dyke, of Princeton, formerly Minister to the Netherlands. Dr. Van Dyke makes this appeal under the caption: "A Red Cross Christmas to Those Who Feel Poor."

"I write as a brother.

"We are a large family.

"This world war Made in Germany against which we are fighting has sent our incomes down and our expenses up.

"The pinch hurts, but it is not going to kill us.

"We still have enough, and something to spare.

"Though we feel poor don't let us feel impoverished by selfish fear.

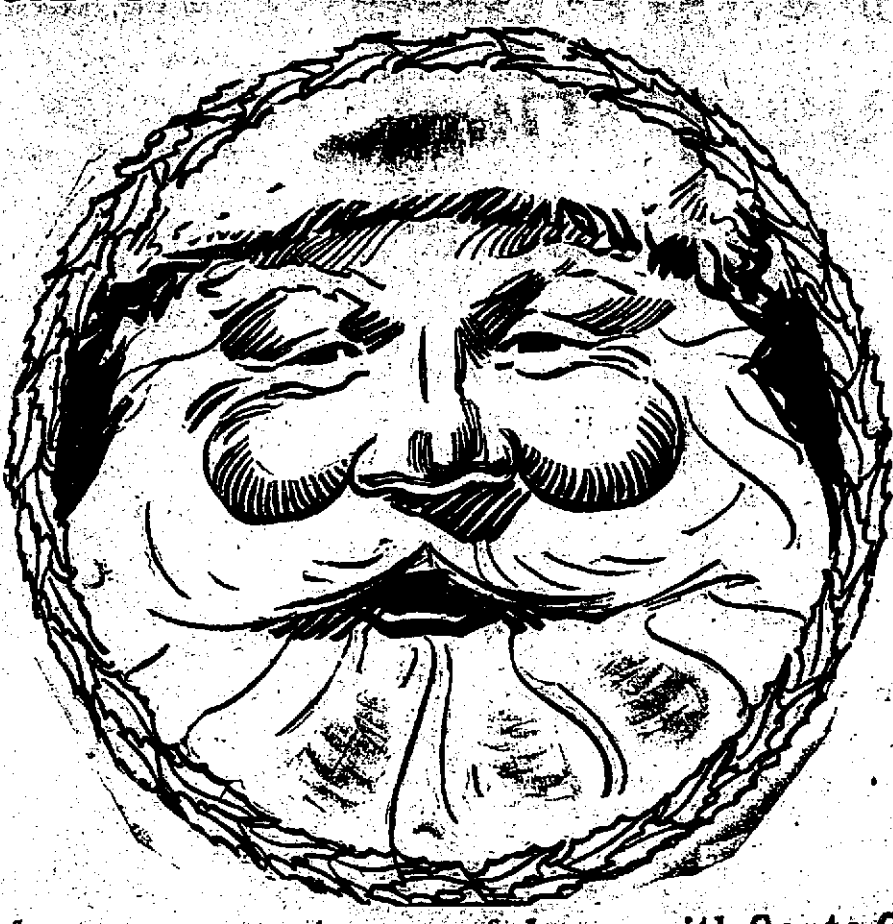

"Let us save in food, in service, in clothes, in luxuries, but not in money.

"Let us use that by giving it to save the wounded, the suffering, our country.

"Let us keep Christmas this year by keeping up the Red Cross.

"Then it will not be a poor Christmas, but a rich Christmas to our hearts."

YOUR CHRISTMAS SERVANTS

Guffin Dry Goods Co.

Now when the controlling thought of every true American is How soon we can bring this world's war to a close, it is an imperative necessity that we keep business moving. Every time that a dollar exchanges in merchandising it earns a small net per cent. It is up to you to keep it earning and of vital importance to your country that it does.

Therefore, let us see we do our full share this Christmastide to keep business moving as usual. We will all find that even in times of distress the deep meaning of Xmas will bring its joy.

Germany has been reduced to goat meat and finds it very palatable. There is also a shortage of fats and barley in Germany, according to the press, and bread will have to be made of potato flour because of the grain shortage.

ELLIOTT SAYS HE'LL VOTE FOR PROHIBITION

Congressman Replies to Telegram Sent by Churches Favoring Dry Amendment

MESSAGE READ SUNDAY NIGHT

A letter has been received by the Rev. C. J. Bunnell, secretary of the Rushville ministerial association, from Congressman Richard N. Elliott in response to the telegram sent to him in behalf of the congregations of the city who voted unanimously for the prohibition amendment to the constitution. The telegram urged that the congressman work and vote for the dry measure. The letter, which was read at the union Red Cross meeting at the First Baptist church last evening, follows:

"Your favor of December 11, at hand and I was much pleased to hear from you. Will you kindly convey to the members of your association my assurance that I favor the prohibition amendment to the United States constitution and that I intend to vote for the same."

HEAR FROM HARVEY ALLEN

Several friends of Harvey Allen at the postoffice have received postcards from him, mailed at Bordeaux, France, which is the first word which has been received from him by mail since his departure abroad. Mr. Allen indicates that he suffered some seasickness going over. Mr. Allen is in the postal service.

RUSHVILLE PUTS UP STIFF GAME

High School Basketball Team Threatens to Take Lead From Bloomington Several Times

LOSES GAME SATURDAY NIGHT

Visitors Show Best of Any Quintet on Floor Here This Season—Joke on Connersville

Rushville threatened many times to take the lead away from Bloomington high school in the basketball game at the Graham Annex gym Saturday night, but the visiting quintet was just a little too fast for the local ball tossers and they ultimately took the long end of a 35 to 23 score in one of the prettiest games seen here this season.

The Bloomington quintet was a scrappy bunch and several times when it looked very much like Rushville would forge ahead, they always came up with a spurt and caged two or three baskets, getting a safe lead again.

Rushville played a much better game than they did two weeks ago against Shelbyville. The kind of playing they exhibited Saturday night would have defeated Shelbyville. Bloomington's fire was faster than anything seen here this year, Markson being especially fast at forward.

Rushville pulled some stuff that would take the heart out of most teams, when Keating and Reed made

field goals from the center of the floor in quick succession soon after the opening of the second half, but Bloomington never flinched and came right back smiling.

Connersville evidently thought the joke was on Rushville when it was learned Saturday night that Bloomington had defeated Connersville's quintet Friday night, 56 to 12, because Connersville sent the report over here that Bloomington had won by the score of 14 to 12, but in reality the joke was on Connersville because it suffered by comparison between the two games.

The line-up and summary:

Keating	Forwards	Markson
Tompkins		Rogers
Dailey	Center	Esarey
Reed		Robinson
	Guards	

Norris Substitutions: Rushville—Brown for Tompkins; Bloomington—May for Markson.

Field goals: Rushville—Keating, 2; Tompkins, 2; Dailey, 1; Reed, 3; Norris, 2; Bloomington—Markson, 7; Rogers, 5; Esarey, 3; May, 1.

Foul goals: Rushville—Keating, 1; Tompkins, 1; Bloomington—Esarey, 3.

WILL BE ON GUARD DUTY

Ross Neary Going to New York to Enlist in Home Work

Ross Neary, formerly a member of the police force, will go to New York soon to do guard duty for the government. Mr. Neary served eight years as a member of Troop B, Second Cavalry of the regular army, and went through the Spanish-American war, afterwards receiving an honorable discharge. It was through his former connections that he obtained a place in the guard because men are being recruited by a former officer of his troop. His wife will accompany him. The home guard troops which are being organized will replace state and regular army units which have been used guarding docks, munition plants, bridges, railroad and public utilities.

Mrs. Mary Ford, formerly of this city and now living with her daughter, Mrs. Ernest Black of Muncie, broke her hip on Saturday when she slipped and had a bad fall. The particulars of the accident are not known.

DELICATE GIRLS IN Business or School who have thin or insufficient blood or are physically frail will find

SCOTT'S EMULSION

a rich blood-food and strengthening tonic. It is so helpful for delicate girls it should be a part of their regular diet.

Scott & Bowne, Bloomfield, N. J. 17-31

Why Not a Pair of Shoes?

We have a most attractive line secured especially for the Holiday trade. In our men's department you will find all the newest lasts in both Mahogany and Black in Kid and Calf.

In our Ladies' and Misses' department you will find an endless variety in Mahogany, Gray and Black, in the new military heel, as well as Louis XV and Cuban Heels.

Your friends or family would appreciate nothing as much for a Xmas present as a pair of these beautiful shoes.

Society

Friends here will be interested in the announcement of the marriage of Miss Jessie Bernardo Shackle, daughter of Jesse J. Shackle of Greenfield, to Sergeant Clarence L. Weber of Indianapolis, which took place Monday evening, December 3. Mr. and Mrs. Patton were the attendants. The Rev. Allan B. Philpott of the Central Christian of Indianapolis officiated. Mr. Weber is a member of Company B, One Hundred and Thirty-ninth Machine Gun Brigade and has gone to Hattiesburg, where he is stationed at Camp Shelby, Miss. Mrs. Weber will remain with her father. Mrs. Weber is well known in this city, having visited here on several occasions.

Honoring the two house-guests of Denning Havens, Carl Goe and Stanley Wilson, of Indianapolis, Miss Josephine Kelly entertained at dinner at her home in North Harrison street last evening. Other guests aside from Mr. Havens and his guests were J. C. Reddick, and the Misses Lucile Linn and Ada Fischer. Mr. Goe and Mr. Wilson have returned to their home in Indianapolis.

Mrs. Miller Hamilton, formerly Miss Drema Wilk of this city and now living in Washington, D. C. was one of the delegates to represent Indiana at the suffrage convention held at the capital last week. There were twenty-four other delegates from this state and Mrs. Hamilton attended all of the suffrage meetings and festivities in connection with the convention.

The Ladies Aid society of St. Paul's M. E. church will be entertained tomorrow afternoon at the home of Mrs. J. P. Frazee at 509 North Main street with Mrs. Susan McCoglin and Mrs. Charles Moore as assistant hostesses. Everyone is urged to bring their needles and bobbins to sew for Red Cross.

The regular meeting of the D. A. R. will be held Thursday afternoon in the rest room of the court house. The meetings will not be held in the private homes on account of the shortage of fuel. As a most interesting program has been arranged it is

Ladies Aid society of the St. Paul's M. E. church with Mrs. J. P. Frazee, 509 North Main street, in the afternoon.

Cabinet members of the Epworth League with Miss Helen Scudder 402 West Second street, at 7:00.

especially desirable that all of the members be present.

The Loyal Daughters class of the Christian church will be entertained by Mrs. Walter Frazee tomorrow evening at her home in North Harrison street. The assistant hostesses will be Mrs. Harry Meyers, Miss Dora Winkler and Mrs. Blanche McNamara.

Counting a Billion.

We are beginning to speak of a billion dollars as we used to speak of a million, says the Ladies' Home Journal. But do we really know what a billion dollars means? As an example, an expert counter of money in the treasury department at Washington can count 4,000 silver dollars in an hour. So working eight hours a day, he counts \$2,000 silver dollars in a day. At that rate it takes him more than a month to count a million silver dollars—a little over 31 days, to be exact. Therefore, if he kept this up for ten years he would have counted 100 million dollars. Now, to get an idea of what a billion dollars means, in silver, it would take 102 years of steady work, eight hours a day, to count a billion dollars in silver.

TO REGULATE FOOD SUPPLY IN HOTELS

Immense Savings in Hotels by Meatless and Wheatless Days Show Possibilities

MAY FIX PRICE OF PORK

Council of Defense and Food Administration Plan Further Food Conservation Steps

Indianapolis, Dec. 17.—The Indiana State Council of Defense and the Indiana Food Administration, headed by Dr. Harry E. Barnard are watching with interest the proposed revision of the Lever food control law, by the present session of congress.

It is announced that the proposals will cover the following points:

1. To regulate portions of food served in hotels and restaurants a step toward fixed rations in public eating places.

2. To stabilize the prices of pork products, possibly beginning with a fixed price for hogs.

3. To deal with sugar, vegetable oils and a few other commodities as is now done with wheat.

Statistics show immense savings in hotels, restaurants, boarding houses clubs etc. as a result of the wheatless and meatless days. These figures indicate the possibilities of still further elimination of the excesses of hotel and public eating house serving, it is said.

Herbert Hoover, food administrator and his aides are reported as favorable to some such legislation, the details of which they are working out with the co-operation of men who understand the situation as it affects the larger cities, where the principal savings have been effected.

Marriage licenses have been issued to Miss Helen Souder and Herman L. Dyer and to Miss Cecilia K. Fore and Roy C. Hartwell.

Red Cross Notes

A member of the Red Cross will be at the George C. Wyatt furniture store every afternoon this week to give out hospital garments to be made and to take in those that have been completed. This arrangement has been made because the headquarters will not be opened during the week on account of the cold weather and the sewers do not wish to suspend work altogether.

Another shipment of knitted goods was made by Red Cross Saturday. Included in the supply were 8 pair of wristlets, 6 helmets and 31 105 sweaters, 90 pair of socks, 10 scarfs. The goods was packed by George C. Wyatt and Co.

TODAY'S ODDEST STORY

Hammond, Ind., Dec. 17.—The following took place in the recruiting office here between a "young lad" of twenty-nine years and Sergeant Welch.

The boy said: "Mother has consented to my offering my services to your forces, officer, since they are going to stop volunteering after December 15, providing you can give me an officer's position. If you think you can assure me of this I will consider joining your army."

The sergeant finally came to his senses in time to murmur, "well, sonny, you see, General Pershing hasn't sent me his resignation papers yet but I will notify you when he does."

GIFTS OF VALUE

as well as beauty, abound throughout the three floors of this store. If you wish practical gifts, they are here; if you wish gifts that have a distinctive touch, they are here. Come tomorrow and view this vast assemblage of heart gladness. Whether for men, women, boys or girls, or babes, your Yule-tide wants can be most satisfactorily filled here.

HANDSOME BLOUSES

Our showing of Silk Waists is beautiful indeed. Hundreds of them to choose from. Many attractive plaids are among them.

Upwards from \$3.90.

ART NOVELTIES

This corner is bright and attractive with all kinds of handwork, finished just as pretty as you could do yourself, and ready to be given.

THE GIFT CORNER

Bright and glittering with all the new season's novelties, you will be attracted particularly to this section. If you are searching for something different, be sure to acquaint yourself with this showing. All that is new in cut glass, silver, baskets, book rocks, candlesticks, smoking stands, shaving sets, nut bowls, travelling roll ups, and electric lamps. Scores of pretty pieces of French Ivory that will grace anyone's dressing table.

UMBRELLAS

A new shipment is just at hand of serviceable and pretty umbrellas for men, women and children. Upwards from \$1.00.

RUGS

A small Royal-Ka-Shan rug will certainly please. Neat patterns in wonderful colors in a multitude of designs.

FOR THE GIRL

You will find the prices most attractive in wool dresses and coats for the school girl. A raincoat would please her, too.

HOOVER ELECTRIC CLEANERS

Say, man, if you wish to please your wife extraordinarily, give her one of those. We shall be glad to demonstrate it.

SILK PETTICOATS

The December shipment of Fitrite Petticoats has just arrived. The combinations of color are surely appealing. Don't miss seeing them.

SANTA CLAUS LETTERS

Dear Santa Claus:

I am a little girl six years old. Would you please bring me a stove, a doll bed, a little doll house, a go-cart and a chair. My little brother would like to have a drum, a ball, some structure blocks and a picture book. Please bring us a few nuts and oranges but don't forget other little girls and boys.

MARGERY & JOHN ANDERSON.

Dear Santa:

I am a little boy 7 years old. I would like for you to bring me a horn, Tinker-toy, a set of work tools, flash light, some shots for my gun, candy, nuts, oranges, and bananas. Don't forget a Christmas tree.

I have a little baby brother, Thomas, who wants a rattle-box and a rubber doll.

Don't forget the poor little French and Belgian children who will be looking for you this year too. I am Your little friend,

ROBERT J. BISHOP.

Dear Santa Claus:

R. F. D. 3.
Please bring me a set of china dishes, a table, a black board, a linen book, the toy town post office game, a game of Lotto. I thank you for the presents you gave me last Christmas. Good-bye.

Your Little Friend,

ROSEZENA SNAPP.

Dear Santa Claus:

I want you to bring me a big doll and some pretty ribbons, peanuts, candy and oranges.

Yours lovingly,

MABLE CAMPBELL.

P. S. Don't forget mother.

Dear Santa Claus:

I want you to bring me a steam engine and three pounds of candy.

Yours truly,

HUBERT CAMPBELL.

Dear Santa Claus:

I want you to bring me a B. B. gun and a monkey that climbs a rope, nuts, candy, oranges and apples.

Yours lovingly,

RAYMOND CAMPBELL.

P. S. Don't forget my uncle in the war.

Dear Santa Claus:

I am a little girl 9 years old. I want a go-cart for my doll and a pair of gloves, a set of play dishes, candy, oranges and nuts.

IRENE PEA.

607 West Market St.

Dear Santa Claus:

I am a little boy 8 years old. Please bring me a jersey, an air rifle and bee-bees, and a mackinaw and a pair of boy scout leggings also, some candy, nuts and oranges.

Your friend,

ROBERT PITMAN.

My Dear Santa:

I am a little boy seven years old. Please bring me a stocking cap, automobile big enough for me to ride in, Ball Glove, Gun, a nice big tool chest and candy, nuts and oranges. I live up by Henderson now. From your little friend.

WALDO NYAL STEVENS.

Dear Santa:

I am a little girl seven years old. Please bring me a stove with pot pans, skillets, and a dresser, rocking horse, and a broom, and a doll cab, and a sleeping doll. Good-bye. That is all. Your Little Friend,

MARY GLADYS SNAPP to SANTA

Dear Santa:

I am a little boy 6 years old. I want a blank cartridge gun and a drum, and a little wagon, and jingle bells to put on Tobie, candy, oranges and nuts.

WALTER THOMAS PEA.

607 West Market St.

Dear Santa:

I am a little girl four years old. Please bring me a Christmas tree, a doll, a story book and some candy. Would like to have a sled if you think best. Please do not forget my sister.

VIRGINIA BUSSARD.

Dear Santa:

I am a little girl 10 years old. Please bring me a sand working toy, a piano, cradle, fancy girl book, fairy tale book, train on the track. Good-bye. That is all. Your little friend.

Detroit Weatherproof Detachable Tops

They are designed to afford motoring comfort in Winter as well as Fall and Summer.

They transform your Ford in a few brief seconds to a warm—absolutely storm-tight from windshield to rear window—brilliantly lighted limousine.

For the Ford driver who has considered winter driving a hardship rather than a pleasure, this patented all-weather top will be most acceptable as it eliminates instantly all his former hardships.

No bothersome side curtains to adjust in the biting cold or blinding snowstorms. The weatherproof top becomes an integral part of your Ford at a very reasonable cost.

Amusements

Little Mary Sunshine appears at the Gem theatre this evening in a play particularly adapted to her talents, "Captain Kiddo." The child wonder takes a difficult role here. There will also be a Pathe News feature. Tomorrow, the last two episodes of, "The Neglected Wife," will be shown. Another Lonesome Luke comedy will also be on the program.

A typical story of boarding school life is to be told at the Princess theater tomorrow evening in, "The Varmint," in which Jack Pickford and Louise Huff are starring. A football game is shown and a number of other scenes which make the film full of college atmosphere. Tonight, "The Guardian," is the feature with June Elvidge, Montagu Love, and Arthur Ashley in the leading roles.

ENLIST IN AVIATION

Dan Hughes, son of Mr. and Mrs. Thomas Hughes, and Cecil Hudson, of Connersville, son of Mr. and Mrs. Robert Hudson, formerly of this city, reported in Indianapolis today to be sent to a training camp for the aviation service. They were accepted at the Indianapolis recruiting station yesterday.

30 STARS IN SERVICE FLAG

A large service flag bearing 30 stars, for the thirty Catholic boys who have joined the colors, will be hanging in St. Mary's Catholic church for midnight mass on Christmas eve. The flag is being presented by a number of the girls in the church.

SUPPLIES CONTRACT LET

The county commissioners have awarded the contract for office supplies for the year 1935 to the E. B. Boyce company of Muncie, the same firm which has the contract this year. The Levy Brothers company of Indianapolis was the only other bidder.
